

Ministry of Defense (MoDA) Program Deployment Requirement
OPEN AND CONTINUOUS PLACEMENT

Applicants must be current, permanent, DoD Civil Service employees

CCMD: CENTCOM

Organization: DSCA

Position Title: MoDA SENIOR ADVISOR (SURGEON GENERAL)

Pay Plan/Series/Grade: GS-0601-14/15

Deployment Location: Kabul, Afghanistan

Tour length: 12 months

Security Clearance Level: Secret

Background: The Ministry of Defense Advisors (MoDA) Program is designed to forge long-term relationships that strengthen a partner state's defense or interior ministry. The program matches senior Department of Defense (DoD) civilians with ministry counterparts in similar functional areas. Selectees must complete a comprehensive and highly tailored 7-week CONUS training course prior to deployment. Training includes advising and mentoring skills, operational readiness, personal security, as well as history, culture, and language training. Instruction is reinforced by engagement scenarios using native speaking role players.

DUTY DESCRIPTION:

SENIOR ADVISOR (SURGEON GENERAL)

GS-0601-14/15

The Physician Advisor advises and assists ANA Medical Command Commander (Surgeon General) and key MEDCOM staff as they design, develop and mature medical systems for the ANA, collaborate with the Afghan National Police, and integrate with the rest of GIRoA. The advisor will institute quantifiable processes and indicators within the Afghan National Security and Defense Forces (ANDSF) Healthcare System, which can be monitored and sustained by ANDSF medical leadership. The advisor also participates on a team of international and Afghan advisors providing technical assistance to bring new knowledge and enhance executive leadership development for the ANA Medical Command (MEDCOM). MEDCOM development is strategically essential to the overall mission of developing the effective medical capabilities for the ANDSF. This advisor may potentially play a role in assisting with movement of Policy and Resource Management oversight to the new office in the MoD, Health Affairs - an office that is planned and approved but not manned. Advisor should be a physician with executive level leadership experience.

MUST PROVIDE MEDICAL LICENSE VERIFICATION IN APPLICATION.

Additional Information or Desired Skills (if appropriate):

- Demonstrated communication and interpersonal skills, including the ability to work collaboratively with counterparts to help achieve goals through the provision of quality advice, support, and mentoring.
- Proven self-starter who can be successful working independently or within a team at various organizational levels and with executives/managers/leaders from multiple functional areas and organizations.
- Proven success in organizational capacity building, and demonstrated ability to share knowledge, mentor, and coach others.
- Demonstrated ability to work in an environment with limited resources and to apply innovative and creative solutions to solve problems.

- Experience developing and coordinating policies and strategies within one or more of the above functional areas for the purpose of developing national-level defense capabilities.
- Experience with training and working internationally with partner governments or their militaries is desired.
- Interest in learning a foreign language and demonstrated ability to adapt to a diverse cultural environment.

Additional requirements:

- Applicants must possess and detail a minimum of 15 years' experience in the applicable functional area.
- Must have at least an Interim SECRET security clearance to begin training.
- Selectees will be detailed from their home organizations for a period of 14 months to include 7 weeks' CONUS training and 12 months' deployment to Kabul, Afghanistan.
- Applicants for these positions must pass a pre-employment medical examination. These positions operate in a physically demanding and austere environment, require the ability to maneuver with the additional weight of body armor in extreme temperatures, and may require lifting heavy items, walking over rough terrain, and working in adverse weather conditions.
