DoD Civilian Leader Development Framework

The DoD Civilian Leader Development Framework is currently in redevelopment.

Once complete, the updated Framework will be posted in this location.

DoD Civilian Leader Development Framework

Leading Change	Leading People	Results Driven	Business Acumen	Building Coalitions	Enterprise-Wide Perspective
----------------	----------------	----------------	-----------------	---------------------	-----------------------------

Definitions

<p>This core competency involves the ability to bring about strategic change, both within and outside the organization, to meet organizational goals. Inherent to the competency is the ability to establish an organizational vision and to implement it in a continuously changing and highly ambiguous environment. Balances change with continuity and addresses resistance.</p>	<p>This core competency involves the ability to lead and inspire a multi-sector group [not only employees, (civilian and military) but also other government agency personnel at the Federal, State and local levels, as well as contractors and grantees] toward meeting the organization's vision, mission, and goals. Inherent to this competency is the ability to provide an inclusive workplace that foster the motivation and development of others, facilitates effective delegation, empowerment, personal sacrifice, and risk for the good of the mission, as well as trust, confidence, cooperation and teamwork, and supports constructive resolution of conflicts.</p>	<p>This core competency involves the ability to meet organizational goals and customer expectations. Inherent to this competency is stewardship of resources, the ability to make decisions that produce high-quality results by applying technical knowledge, analyzing problems, and calculating risks.</p>	<p>This core competency involves the ability to manage human, financial, and information resources strategically. Inherent to the competency is the ability to devise solutions with an understanding of how to impact business results by making connections between actions and/or performance and organization goals and results, as well as external pressure points.</p>	<p>This core competency involves the ability to build coalitions internally and within other Federal agencies, State and local governments, nonprofit and private sector organizations, foreign governments, or other international organizations to achieve common goals.</p>	<p>This core competency involves a broad point of view of the DoD mission and an understanding of the individual or organizational responsibilities in relation to the larger DoD strategic priorities. The perspective is shaped by experience and education and characterized by a strategic, top-level focus on broad requirements, joint experiences, fusion of information, collaboration and vertical and horizontal integration of information.</p>
