

Update on Submitting Reconsideration Requests and Deferred Retirement Estimate Requests

Effective immediately, send all Federal Employees Health Benefits (FEHB) and Federal Employees' Group Life Insurance (FEGLI) Reconsideration Requests and Deferred Retirement estimate requests electronically to our benefits email box at dodhra.mc-alex.dcpas.mbx.benefits-contacts@mail.mil. This will ensure requests are received and processed in a timely manner while staff is on extended telework.

For security purposes, ensure emails are digitally signed and emails with PII are encrypted. For large files use the Department of Defense (DoD) Secure Access File Exchange (SAFE). Users can send and receive up to CUI/PII/PHI files (up to 8 GB total). Visit SAFE at: <https://safe.apps.mil/>.
