If re-hired in a RFT or RPT position, annuity payments cease and the re-hired annuitant may re-enroll in the Retirement Plan. Annuitants rehired in Flex category retain annuity benefit.	Annuity payments cease if a rehired annuitant is appointed to a RFT or RPT category. Employee is eligible to re-enroll in the Retirement Plan. If a rehired annuitant is appointed to a Flex category, employee retains annuity benefit.	Ineligible for reemployment after retirement or after beginning to receive a Terminated Vested Pension. Exception is for Intermittent casual or on-call employment of temporary timeframe and employment not agreed to prior to retirement and limited to previous salary.	Annuitant receives full annuity and full salary and does not earn a new entitlement to a Supplemental or Re-determined Annuity. With one exception, DSR Reemployed Annuitants are provided the opportunity to elect retirement contributions and earn further retirement credit, as appropriate, or receive full salary and annuity. The reemployed annuitant will have 90 days from the date of notification to elect retirement deduction.

* P.L. 107-107 Section 1132 does not apply to NAF retirement plans. DoD policy in DoDI 1400.25 (Volume 1408, paragraph 4.5.b.(3)) provides discretionary authority for Components to provide NAF retirement credit for APF service in the same manner as NAF service is credited towards CSRS and FERS immediate annuity.

Basic Life: Must have 15 years of cumulative participation in DoD NAF plan. Upon retirement, retirees stop paying premiums if they meet the eligibility requirements for taking life insurance into retirement. Employer pays 100% of the cost of coverage. For basic life, coverage decreases 25% at 66, 25% at 67, 25% at 68. Full paid up annuity of 25% thereafter. Optional life coverage drops to 25% at retirement.	Must be enrolled in a Life plan on the day before retirement. Must receive immediate annuity. Must have 15 years of cumulative participation in Life plan to be eligible to continue. Retirees pay the same Basic life rate, but only those retiring on unreduced annuity get the same premium split as when they are actively employed (50% / 50%). Those that are eligible to continue basic group life into retirement but retire on a reduced annuity pay 100% of premium. All Retirees pay 100% of premium for supplemental life and dependent life.	Must be enrolled in a Life plan on the day before retirement. Must be at least 52, the minimum age requirement. Must meet 5 year minimum participation requirement Retirees pay the same premium as actives. Employer pays 46% of monthly premium; Retiree pays remainder directly to life carrier. Calculate premiums based on monthly coverage per \$1,000s. Premiums do not cease at a certain age. Life insurance coverage reduces by 25% at age 66, 67, and 68. The fully reduced amount will be 25% of the original coverage.	Employee must participate in the Basic Life plan for 15 years, be a participant at the time of retirement and retire with an immediate annuity to receive Basic Life coverage at no premium cost. At age 66, 67, and 68 the value will decrease 25% per year. If employee doesn't meet the above requirements, they may convert their policy to an individual policy and pay the premiums directly to the carrier.	Must retire on an immediate annuity and had the coverage for: -- 5 years of service immediately before the start date of the annuity or, for annuitants retiring under FERS who postpone receiving their annuity, the 5 years immediately before their separation date for annuity purposes. NOTE: Must meet the 5 years/all opportunity requirement for Basic and each type of Optional insurance to continue it into retirement. Retirees pay the same premium as actives.
	Coverage is free to retiree. Army NAF pays all premiums. Coverage decreases 25% until age 68.

Life Insurance Continued				Retiree premiums never cease. Premiums do change based on retiree's age and when coverage volume changes. Retiree insurance limits reduce 25% of initial volume at age 66, 67 and finally at age 68. Final volume remains at 25% of initial volume for life.			The Government's share of the cost of the Basic insurance is an amount equal to 1/2 of the retiree's withholding (which means 1/3rd of the total premium). The current government share per 1,000 is \$ 0,0800 biweekly and \$ 0.1733 monthly. The employing office sends life insurance withholdings and contributions to OPM on the same date it pays its payroll. OPM credits the total amount reported for life insurance to the Employee's Life Insurance Fund.
